A Hog Roast

Tom Knollman for District 55 Fundraiser

On September 9, 2006, the Union County Republican Party and Friends of Tom Knollman for District 55 Committee will be hosting a hog roast at the Liberty 4-H Building for Tom in an effort to show support and to raise much needed money to send Tom to Indianapolis to represent us as our State Representative for District 55.

We would like to invite you to an evening of good food, fun, great company, music, speakers as well as special guests. While you are there, we will be asking for your help by donating to Tom's campaign. Successful campaigning means getting a candidates name and message out to everyone in the district and he needs your help.
